*Shell Beach Improvement Group
Organized in June 2005*

The mission of the Shell Beach Improvement Group is to preserve and improve the unique village atmosphere of Shell Beach for the enjoyment of its residents, businesses, and visitors. The group will seek to achieve these goals by making recommendations to the Pismo Beach City Council and by other means.

ART WALK - ART CANS UNVEILED

The new trash and recycling ARTcans, created by Shell Beach artists, were revealed on November 13th during the Art Walk on Shell Beach Road. The artists listed below were sponsored by SBIG and used recycled cans as their canvases. The ARTcans are permanent fixtures with a practical purpose - keeping Shell Beach clean and helping the environment by recycling.

Participating Artists:

Peter Antonio
Teri Conrad
Colleen Gnos
Jordan Haughey
John Landon
Robert Maja

Carol Shaddox
the Children of Shell
Beach Elementary
Eric Soderquist
Sylas Stephens
Greg Webster

PLEASE JOIN SBIG for 2010!

Shell Beach Improvement Group will celebrate 5 years of working together to "preserve and improve" our community of Shell Beach in June, 2010. We encourage you to join our group in January, and participate in any number of ways:

- ~ Attend meetings
- ~ Participate in Special Events - Join a committee
- ~ Promote projects

Our membership goal is to increase the number of Shell Beach resident members who can contribute their ideas and support to our projects. Membership applications are available at the SBIG Booth!

Annual dues are \$25 for residents and \$50 for businesses.

SBIG Meetings 2010 will be posted on our website. The next General Membership meetings is March 8th at the Shell Beach Veterans' Building (230 Leeward Ave); February meeting date will be posted.

The Streetscape Master Plan will be an ongoing topic as the engineering of underground utilities progresses. Join SBIG to be a part of the planning process.
